## DETAILED ROUTES

## OPTION 1 – ISLAND OF MAFIA

### **01 KILIMANJARO / DAR ES SALAAM AIRPORT – ISLAND OF MAFIA:**

After spending unforgettable days in the African wild land, we are ready to continue our journey in paradise Africa. From Kilimanjaro or Julius Nyerere airports, we will take our flight to the Island of Mafia in the middle of the Indian Ocean. We'll be picked up and transferred to our lodge or resort.

### **02, 03 & 04 ISLAND OF MAFIA – FULL DAYS:**

Free days to rest and enjoy this island of extravagant beauty, its wonderful and charming beaches, in the sun and by the Indian Ocean.

These days can also be used to learn about the history of slavery in Tanzania and the daily life of the people who inhabit this island. Much of the island is under the protection of Mafia Island Marine Park. Thanks to this situation, the island has coral reefs, a refuge for marine animals such as beloved sea turtles or whale sharks.

For diving-lovers, this is will become a paradise hard to leave. Locally, endless activities can be organized.

### **05 ISLAND OF MAFIA – DAR ES SALAAM – DEPARTURE:**

This is our last day on the island, but we can still enjoy it as much as we want before leaving. At the agreed time, we will drive to the airport to take the flight back home.

### **01 KILIMANJARO / DAR ES SALAAM AIRPORT – ISLAND OF PEMBA:**

After spending unforgettable days in the African wild land, we are ready to continue our journey to the east of the country, at the foot of the Indian Ocean, in paradise. From Kilimanjaro or Julius Nyerere airports, we will take our flight to the Island of Pemba in the middle of the ocean. We'll be picked up and transferred to our lodge or resort.

### **02, 03 & 04 ISLAND OF PEMBA – FULL DAYS:**

Free days to rest and enjoy this island of extraordinary beauty surrounded by crystal clear waters and in the sun by the Indian Ocean.

Pemba is an island with important economic cash crop like cloves, but also coconut and rice to name a few. Fishing is very important for the inhabitants of Pemba, but so is the tourism that this wonderful island attracts for much of the year. The mangroves and lagoons of Pemba are as numerous as they are spectacular, and contrast with the whitish sand beaches where our eyesight rests over the turquoise waters. There is no more relaxing vision.

Locally, we will be able to organize various water activities.

Zanzibar Island is a very special place and it will be in our hearts for a long time. It is a place full of contrasts, sun, fantastic food and a history full of flavors from remote places. If we are interested in history, Zanzibar is the place to find it: Stone Town. A walk through the city will take us back in time, along with its people, the heat and the blinding rhythm through its narrow streets full of personality and the marks of the pass of time.
